

Do you want to live a **Lawless** life or a life following **God's Law**?

That is the question.

You can live a **Lawless** life here on earth or you can choose to live your life following **God's Law**, that is your choice. Whatever your choice may be, **be assured** and **certain** that it has to do with your **everlasting** covenant, your **eternal** life, your **eternity**.

A **Lawless** life is a life of **Godlessness**. If **you believe** in God; **the God of Abraham; the God of Isaac; the God of Jacob; the God of Israel or not**, there are **two** things that I know you will want to know.

ONE:

1. **The Torah {instruction, direction, prophetic teaching}** states: “The LORD shall reign to **eternity** and beyond.” [Exodus 15:18]
2. **The Bible {the Books of Books, the Holy Scriptures}** states: “For God so greatly loved and dearly prized the world, that He gave His One and only begotten Son, so that whoever believes and trusts in Him as Savior shall not perish, but have **eternal life**. [John 3:16]
3. **The Dhammapada {Buddha's doctrine, an eternal truth, righteousness}** states: The greedy do not make it to Heaven. Fools for sure do not praise generosity. The wise that give freely will find much happiness in **eternity**. [13:177]
4. **The Koran {the discernment, the guide, the remembrance}** states: Gardens of **Eternity**, beneath which flow rivers: they will dwell therein forever: such is the reward of those who purify themselves from evil [20:76]
5. **The Bhagavad Gita {Hindu scripture, Song of the Lord}** states: The soul never takes birth and never dies at any time nor does it come into being again when the body is created. The soul is birth-less, **eternal**, imperishable, and timeless and is never destroyed when the body is destroyed. [2:20]

TWO:

Your life consist of a **Body**, a **Soul** and a **Spirit**. There are three of you and when you **die** those three parts will have to **change!!!**.

Your **Body** will **decompose** and return to the **dust** where it came from.

The **Spirit** which give you life will **depart** and return to it's **Sender** for **eternity**.

Your **Soul** will **drift away** from your body and find a new **living place** for **eternity**.

In conclusion;

ONE: 5 great world Books speaks about the **change** to **eternity**

TWO: your **soul**, **which will never die**, will live on for **eternity**

You can read and study all these 5 Books if you want, but there is **only ONE** who can give you **certainty** and **assurance** of how **eternity** looks like. That is **the God of Israel**. He is the **only ONE** who wants to have **a relationship** with you and is **interested** in your **soul**. **He** finds your **soul** so **important** that **He** has already made arrangements for your **soul** to have a new **living place** for **eternity**.

Where your **Soul** spends **eternity** is up to you. **You have to choose**, no one can do that for you.

Do you want your **Soul** to spend **eternity** in Heaven or in Hell?
