

Do you want **God's Grace**, which is **indispensable** for your **change**, or **not**?

That is the question

God's Grace can **Change** you, but you have to allow **Him** to **Change** you. **God** is not going to **coerce**, **demand**, **extort** or **force** you to **Change**. He is a **Holy God**.

Holiness means to be set apart, to be different, to sanctify, prepare, dedicate, hallowed, separate oneself from the world.

Holiness means to show oneself sacred, majestic, honored, devoted, consecrated.

So here is how **God's Grace** can **Change** you. **God's Grace** is for your total **Change**; **Body**, **Mind** and **Soul**.

Your Body must be **Holy**, so...

Don't **wear** everything, but **dress** yourself in **Dignity**.

Don't **eat & drink** everything, but **feed** yourself in **Righteousness**.

Don't use your **body** for **material gain**, but as a **Temple of God**.

Your Mind must be **Holy**, so...

Don't **watch** everything on **television**, but have **Integrity**.

Don't **listen** to **every kind** of music, but be an **Unique** person.

Don't **search** the Internet for **everything**, but search in **Wisdom**.

Your Soul must be **Holy**, so...

Don't **go along** with **the world**, but be **Pure of Heart**.

Don't **give in** to **temptation**, but be solid as **The Rock**.

Don't **be deceived**, but **stand firm** as a **Strong Warrior** in your faith.

Do you want, desire holiness or unholiness to change your heart?
